

An abstract painting with a rich, textured surface. The composition is dominated by a central vertical band of bright blue, which transitions into a warm, golden-yellow area on the right. The left side features a mix of purple, pink, and red tones. The bottom half of the painting is characterized by dark, almost black, areas with some red and white highlights, suggesting a sense of depth and shadow. The overall effect is one of dynamic energy and complex color relationships.
